

# GAMESFEST 4: 24<sup>TH</sup> OCTOBER 2009

## INTRODUCTION

This year will see GamesFests fourth convention and our move to the exciting venue of the Watford Colosseum.

This year's event represents a greatly increased scope and scale as we look to build on our previous successful events and firmly establish GamesFest as a regular and firm favourite in the convention calendar

The Watford Colosseum is a fantastic 1000 person plus venue that is accessible by all forms of transport. By moving the event from our humble origins we aim to make this one-day convention a truly memorable occasion. The increased space will enable us to have a wide and varied line-up for your enjoyment

Major Manufacturers, Publishers and Retailers are coming to GamesFest to show their best and newest products with hopefully some exciting new releases .Companies attending so far are: Games Workshop, Forge World, Warhammer Historical, The Black Library, Mongoose Publishing, Flames of War, Leisure Games, Project Hydra, Warlord Games, Chaos City Comics, Calamity Comics, Murky Depths, Cardbreakers plus many more.

There will be Tournament/Demo/participation games of: **WH40K, Warmachine/Hordes, Flames of War, 4e Dungeons & Dragons, Memoir 44, Helldorado** with more TBC.

Our guest includes luminaries such as **Dan Abnett, Gav Thorpe, Simon Scarrow, Robyn Young, Richard Williams** and many, many more.

Adverting for GamesFest will take the form of print advertising in industry journals, an online advertising campaign, our dedicated website ([www.gamesfest.co.uk](http://www.gamesfest.co.uk)) and a leafleting campaign in major retail outlets.

The cost per 6ft X 2ft table is £50 with a free dedicated demo area as required.

There is ample parking at the venue and setup for traders will be from 08:00 hrs.

We are confident GamesFest 4 will be a major success and we wish your company to be a part of that success.
